

Thomas Kidd

516 W Ave • Stillwater, OK 74074 • 832-720-0893 • thomas.kidd@okstate.edu

Education:

Oklahoma State University, Stillwater, OK

Masters of Science in Electrical Engineering

Expected Aug 2026

GPA 4.0

Bachelor of Science and Engineering

May 2024

GPA: 3.8

- Electrical Engineering
- Computer Engineering
- Honors College

Work Experience:

Research Assistant – Physics based Machine Learning

Electrical and Computer Engineering, Oklahoma State University, Stillwater, OK

Aug 2025 – Current

- Developed a PyTorch CNN to classify neutron/gamma pileup events
- Optimized model efficiency by scaling ResNet-18 architecture
- Decoded internal network representations into semantic groups

Teaching Assistant - ECE Teaching Assistant in several core classes

Electrical and Computer Engineering, Oklahoma State University, Stillwater, OK

Aug 2024 – Current

- **Python & Machine Learning:** Design homework assignments, create ML final projects, and manage automate grading systems
- **Digital Logic Design & Computer Architecture:** Manage linux lab computers sessions and guide students in HDL-based projects
- **AI in Engineering:** Develop instructional materials and explain AI processing techniques to undergraduate students

Research Assistant – Open Source Computer Hardware Programming

Electrical and Computer Engineering, Oklahoma State University, Stillwater, OK

Oct 2023 – May 2024

- Develop HDL, scripts, and documentation for an open-source RISC-V processor implementation
- Use open-source verification tooling to test and validate custom hardware design
- Integrate flight controller software onto a custom RISC-V HDL platform - ongoing thesis

Startup Operator

Riata Center, Oklahoma State University, Stillwater, OK

Aug 2024 – Current

- Launch ML driven startups in sports and drone industries
- Implement video recognition and segmentation using Meta's SAM2, YoLo, and Label-Studio
- Deploy ML models, labeling, and web services using AWS solutions

Teaching Assistant – Fundamentals of Circuits & Digital Logic Design

Electrical and Computer Engineering, Oklahoma State University, Stillwater, OK

Aug 2022 – May 2023

- Assist and provide technical support to students in the electrical engineering laboratory
- Tutor and help students with understanding classwork and concepts

College of Engineering, Architecture and Technology (CEAT) Tutor

CEAT Oklahoma State University, Stillwater,

Aug 2022 – Oct 2023

- Provide guidance to students in their technical and general education classes
- Tutor and assist students with understanding fundamental concepts and classwork

Software Engineering Intern

Subsite Utility Locating, Ditch Wich, Perry, OK

May 2023 - Aug 2023

- Designed and tested embedded python code for long range communication
- Learned the importance of a linear software architecture using object oriented programming
- Conducted physical tests for utility locating products

Research Assistant

Renewable Energy Research, University of Michigan-Dearborn, Dearborn, MI

Jun 2022 - Aug 2022

- Designed and diagnosed real time hardware in the loop simulations

Thomas Kidd

516 W Ave • Stillwater, OK 74074 • 832-720-0893 • thomas.kidd@okstate.edu

- Installed and operated OPAL-RT and Schweitzer protection relays
- Conducted microgrid power flow analysis on MATLAB Simulink

Research Assistant

Power Grid Modernization Lab, Oklahoma State University, Stillwater, OK

Jun 2021 – Aug 2022

- Developed and testing an informative dashboard for the renewable energy sources on campus
- Created an off-grid portable solar powered scooter charging station for senior Design Project Research Assistant
- Designed a website for the power grid modernization lab

Technical Skills:

- Programming Languages: Python, C++, JavaScript, Verilog, Bash, Git
- Operating Systems: Prominent in Linux and AWS
- Design Software: KiCad, PSpice, Magic, Xschem, netgen,
- Hardware: Arty A7, iCE40 UP5k, Raspberry Pi & Pi Pico, RP 2040, Arduino
- Communication: public speaking, nonverbal communication, native fluency in Hungarian

Leadership and Service Involvement:

Teaching Assistant Point of Contact: Provide connection between TAs and Department Head

Aug 2024 - Current

Vice President : Institute of Electrical and Electronics Engineers (IEEE),

May 2023 – May 2024

President: Institute of Electrical and Electronics Engineers (IEEE), Oklahoma State University

May 2021 – May 2023

- Arranging, organizing, and managing professional activities for student members
- Inviting and creating relationships with local and global companies for IEEE members
- Handling and distributing \$4000 of the IEEE organization fund for events and projects

Vice President: Water Polo Club, Oklahoma State University

Aug 2021 – May 2022

- Organizing practice times, recruiting new members, and handling member fees

Wentz Hall Board of Director

Feb 2021 – May 2021

- Event Organizer, brainstormer, executer, and community creator

Awards and Honors:

Best Teaching Assistant

Fall 2024

Lynn T Miller Scholar

Fall 2024

Ramakumer Family Energy Scholar

Fall 2024 - Spring 2025

Williams Graduate Fellowship

Fall 2024 - Spring 2025

EN Grad Fee Scholarship

Fall 2024 - Spring 2025

HKN IEEE honor society member

Fall 2023

Tau Beta Pi member

Dec 2023 - Current

OSU President's Honor Roll

July 2022 – May 2024

IEEE Power Engineering Scholar

Oct 2021 – Oct 2023

Dean's Honor Roll

Dec 2021 – Dec 2023

Dean's Award Scholar - Engineering Architecture and Technologies

Sep 2020
